

Transform your classroom into something distinctly different.

Excellence in Teaching **Classroom Culture and Management**

Build a positive culture that breeds academic and personal excellence by establishing and maintaining an empowering classroom climate. You'll learn proven methods to engage students with their learning, remember what they're taught, and develop a more can-do attitude about school and education. Discover how you can create an intellectually engaging, down-to-business, and successful classroom culture built on safety, support, and belonging.

You'll learn and experience strategies proven to:

- Create an engaging, intellectually challenging, classroom atmosphere
- Decrease classroom behavior issues and increase time on task
- Foster greater student responsibility and ownership for learning
- Heighten motivation and upgrade your students' performance
- Boost your confidence and competence as a highly-effective teacher
