

## Excellence in Teaching

### *Essentials, Classroom Culture & Management, Design & Delivery for Learning*

If you're looking to reach more students, increase your results, and enhance your teaching skills, then come join us. During this dynamic program you'll discover *what* to do, *how* to do it, and *why* it works.

The Quantum Learning System deepens the culture and upgrades the cognition in your classroom—creating a space where you can **orchestrate powerful learning for all your students**—instilling academic and personal excellence.

- Create an engaging classroom atmosphere
- More effectively facilitate learning to achieve standards and increase results
- Involve students in inquiry, analysis, discussion, and peer collaboration
- Decrease classroom behavior issues and increase time on task
- Foster greater student responsibility and ownership for learning
